**09: SOFA, SO GOOD**

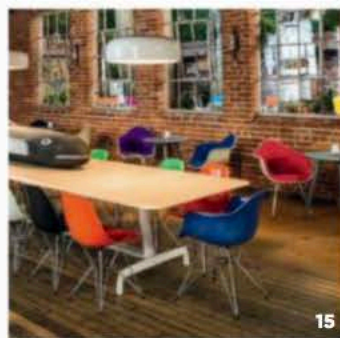

Minimal and contemporary, Herman Miller's Bolster sofa is constructed to the strictest of environmental standards. [livingedge.com.au](http://livingedge.com.au)

**10: TABLE TALK**

Resurrection is crafted from the recycled remnants of an old Victorian dining table, masterfully repurposed into a new and exciting piece of furniture. [martindavisfurniture.com](http://martindavisfurniture.com)

**15: STEP TO THE SIDE**

Utilising modern construction techniques, the plastic and fibreglass mould of the Eames Side chair makes this piece an environmentally friendly choice. [livingedge.com.au](http://livingedge.com.au)

15

**11: FLAT PACK**

The Aviator chair by Zev Bianchi is crafted from bamboo and ply as a flat cut-out, which is then flexed into a classic '50s-style piece with a sustainable bent. [bcompact.com](http://bcompact.com)

11

**12: CRINKLE-CUT**

The Paola Paronetto clay vase collection features handcrafted Italian ceramics uniquely textured with recycled paper pulp and fibres. [fanuli.com.au](http://fanuli.com.au)

*Multi-purpose*

Of simple, geometric design, the La Paz side table can double as a stool. [tidedesign.com.au](http://tidedesign.com.au)
